Abstract Submission Closes
12 July 2023

Notification of Abstract
Acceptance
31 July 2023

Notification of Competition
Finalists
15 August 2023

Onsite Competition
27 October 2023

IMPORTANT DATES

Abstract Submission Opens	2 May 2023
Abstract Submission Closes	12 July 2023
Notification of Abstract Acceptance	31 July 2023
Notification of Competition Finalists	15 August 2023
Onsite Competition	27 October 2023

You are cordially invited to submit your abstracts for the 9th Asian Conference for Frailty and Sarcopenia 2023 Scientific Competition. The Competition is an excellent opportunity to showcase your research and compete among fellow researchers in the region. Please read the submission guide below on how to submit an abstract.

Eligible Criteria

- Authors may only submit original work where they are the first author or co-author.
- Abstracts submitted must not have been published as a full manuscript in any journals.
- Authorship should be limited to ten and only those who have made a significant contribution to the conception, design, execution, or interpretation of the reported study.
- The presenting author must have registered and paid for ACFS 2023.
- Authors of accepted abstract must display a physical poster at the Poster Exhibition during the conference or an e-poster on the conference website as decided by the Abstract Committee.
- Submission of abstract constitute the authors' consent to have their abstracts that have been accepted to be published on 9th Asian Conference for Frailty and Sarcopenia 2023 website and related media.

Abstract Submission Guidelines

- Abstract should be submitted under one of the categories listed below.
- Abstract must be submitted in English.
- Abstract title should be concise.
- Abstract body should be written in the following structure using the template available on the website.
 - Background
 - Objectives
 - Method
 - Results
 - Discussions and conclusions
- Abstract body should not exceed 300 words.
- The use of standard abbreviations is acceptable. Place special or unusual abbreviations in brackets after the full word the first time it appears.
- The use of tables, graphs, and other types of images in abstracts is not permitted.
- Only abstracts submitted via the online submission portal will be accepted.
- Abstract must be submitted before the submission deadline of **12 July 2023**.
- A Submission Acknowledgement email will be sent to the submitting author's registered email address once the submission is successful. Please contact (acfs-9@sgms.org.sg) if you do not receive it.

Abstract Submission Topics

Presentations will be organized by topics, please select one of the following topics for each submission:

1. Basic Science
2. Diagnosis and Aetiology
3. Cognitive Frailty
4. Locomotive Syndrome
5. COVID 19 and Sarcopenia and Frailty
6. Surgery and Perioperative Medicine
7. Prevention and Public Health
8. Health Services
9. Nutrition
