The most recent marks are labelled with an asterisk (*).

Marks: excellent (1), good (2), satisfactory (3), sufficient (4), insufficient (5), successful participation (+), participation without success (-)

Over-all assessment: graduated with honors (Z), graduated (B), failed (U)

Non-graded and invalid exams: According to Par. 74, the grading of an exam is invalid, when either the mark or the registration for this exam was obtained by fraud (code (N)). According to Par. 12 (6) of the statute of the Vienna University, exams obtained by fraud with illicit accessories, must not be graded (code (X)).

Advice: please contact the competent study service center in case of corrections (missing or incorrect marks, incorrect association of a mark to a module).

This certificate is a valid attestation of the progress of studies according to Austrian law § 2 subpar. 1 lit. b of the "Familienlastenausgleichsgesetz".
